It's true, only the "trip" is the Senior Ball and the river is the Rhine. The Ball begins at 2000 hours Wednesday, 3 June when the boat leaves from the Biebrich dock. A dinner of veal steak, potatoes, peas and salad will be served and music will be provided by the Air Force Combo.</p> <p>John Andrews and Nancy Winterer are in charge of the dance. Imagine! dining and dancing on a river cruise! What a lovely way to finish the year.</p>	<h2 style="text-align: center;">POW – WOW</h2> <p>"The Senior Class is going on a trip down the river," quipped Jim Maloney to anyone who is reading this. It's true, only the "trip" is the Senior Ball and the river is the Missouri. The cruise begins at 1530 hours Friday, 24 September when the boat leaves from the Miller Landing dock. Drinks will be available from a cash bar and music from the '60's will thrill your soul. John Andrews and Judy Dramer are not in charge of the cruise that will last until 1700. Imagine! being old enough to drink and on a river cruise! What a lovely way to spend part of Friday in Omaha.</p>
